Head Teacher: Mrs Lorna Harrison B.Ed

Friday 23<sup>rd</sup> April 2021

Dear Parents and Carers,

## Year 2 Curriculum Newsletter

Topic.

This term we will be learning about 'food'. We have introduced our topic by reading Handa's surprise. We are going to learn about where in the world different food comes from and how food has changed over time.

English.

Comprehension takes place on a regular basis in school. To support your child at home please use the comprehension questions in your child's reading record to ensure they understand the texts they read. The children are expected to read and have their reading records signed three times before they change their reading book. If your child does not have their reading record signed, they will be asked to stay in to read for three break times. On Mondays and Thursdays, children are given the opportunity to change their books.

Maths.

Maths books will continue to go home with times tables to be practiced ready for a test every Monday so please encourage your children to practice these as often as possible – it makes all the difference.

Science.

In Science this term we will be identifying and naming some garden plants, growing our own beans and observing them in order to investigate what plants need to grow. We will also look at the difference between deciduous and evergreen trees and label the parts of a plant.

PE

Our main PE focus will be football and multi skills. Please ensure that your child has a named PE kit in school at all times. We will be doing Forest School on the Bartons on Monday afternoons. We hope that it is dry for us but on any wet days please send your child to school with wellies.

RE.

Over the summer term, we will be answering the questions: **What makes some places sacred to believers? Who do Christians say made the world?**

For more detail on what the children will be learning this term please look at our topic web. What we do may change in line with the children's interests and ideas.

As we enter the summer months all children need to have their water bottles and sun hats in school each day.

If you have any questions do not hesitate to ask.

Yours faithfully,

Mr Fitzer
