

# Much Muchle News

7<sup>th</sup> January 2009

## Welcome

Miss Guest has joined our team to teach Class 3. She has lots of exciting things planned for the coming term.

## International Schools Award

I have received confirmation that our application for International School Status has passed the first round. We need to compile a portfolio of evidence of our international work for submission by July 17<sup>th</sup> 2009 to complete the process. I am sure we will be able to meet this challenge.

## India Link

I have been in contact with a school in India. They have sent photos and pictures. The children in year 5 will write to them.

## Willow Tunnel

Last term the School Council and I met with 'The Willow Man' to plan our willow tunnel. He will be coming to school some time this term depending on the weather.

## Stained Glass Art Week

The local Artist, Nicola Hopwood, will be working in school for one week during March. This will be a wonderful opportunity to learn about this craft and to link our

work with the church. Thank you to the PTA for reserving funds to pay for this event. I am sure it will be wonderful.

## Hot Lunches

As you know, hot lunches are available this term. The next order form will be sent home to you at the end of the week. Please ensure that you send the correct money, and all cheques (over £10) are made payable to Just Events Catering as they now process the orders.

## Parent Governor

We had two nominations for Parent Governor but circumstances have changed and now Mr Farnell (father of Roma in Class 3) is our only nominee. Therefore, he is elected as Parent Governor unopposed.

## Water Bottles

Can you please ensure that your child comes to school every day with a bottle filled with water. This is in addition to any drink that you send in for lunchtimes. It is important for children to have water accessible to them throughout the day.

## Tag Rugby Coaching

Bruce Ruthven will be teaching Tag Rugby in Class 4 on Monday afternoons for this half term.
