Our Value this month is:

Caring

Football Tournament Success

We took a squad of 13 keen footballers to a tournament at John Masefield for the annual Year 3/4 football competition. It was the first time the boys had played as a team, but they certainly proved themselves by winning 2 matches and drawing 2. This led to overall victory!

Primary Dance Festival

Our Year 1 and 2 pupils joined with other KS1 children from local primary schools at John Masefield High School for a dance festival on Friday 1st May. The children learnt a routine from the musical Hairspray, later performing it.

Visit to Ditton Farm

As part of their topic work on the environment, Class 3 visited Ditton Farm near Ross-On-Wye on Wednesday 6th May. This pioneering farm has many sustainable features including an anaerobic digestion machine that creates electricity, solar panels on chicken houses and biomass boilers that heat them.

A huge thank you to Mrs Wilde (Senior) for arranging the visit and to The Harewood End Agricultural Society for very kindly funding the coach.

Music Masterclass

Last week our Year 5 children went to Hellens to take part in their annual music festival. They took part in a series of exciting workshops which culminated in them composing their own piece of music, which they later performed in the beautiful outdoor courtyard.

Rounders Club

Please make sure that young children do not play near the pitches on the Bartons when rounders club is on. This will ensure their safety and avoid disruption to the game.
