Our Value this month is:

**Sharing**

### Class 1 and 2 Tesco Visits

Class 1 and 2 had fantastic trips to Tesco in Ledbury. They got to observe what happens behind the scenes, visiting the stores, the delivery entrance and going in the fridges and freezer. The children met the baker, fish monger and got to taste a wide variety of products before ending their visit by making their own fruit kebabs. When you go shopping in Tesco, be sure to ask the children what they learnt and see if they recognise the friendly staff.

### Jandon Trophy

This year's team pulled together in the face of adversity to achieve an excellent second place finish. As this is an extremely competitive event, this result a truly great achievement and all involved should be very proud of their performance and attitude.

### Maths Workshops

Eight children from Years 3 and 4 attended John Masefield High School over two days last week for sessions designed to promote the enjoyment of maths and enrich learning.

### Language Festival

A selection of Year 5 and 6 pupils went to Malvern St James School for a festival of languages. Highlights included learning several phrases in Chinese, Arabic, German, Latin, Russian, Spanish, French and Italian! The children also explored the roots of the English language.

### Oliver

Final preparations are well underway ahead of next week's performances. Please see the separate letter for more details.

### Sports Day

Beech House won sports day this year, in what was a fun-filled experience. Following the races, everyone enjoyed a picnic on the field together. Thanks to Miss Evans for arranging the event.

### KS1 Summer Festival

Our Year 1 and 2 children eagerly participated in the annual KS1 multi-skills event at John Masefield High School. Each school represented a different country, with our school being England. They took part in a wide range of exciting and challenging activities.

### Annual Reports

This year's annual reports will be sent home with the children on Wednesday 1st July. Our new look reports reflect the new curriculum and are designed to give more information about your child in a clear format.

### Nursery Open Day

The Nursery will be having an Open Day on Wednesday 8th July between 9.15am and 3pm. You are warmly invited to join our children and staff in a celebration of everything we love about our Nursery.
