Our Value this month is:

Hope

Class Newsletters

You will by now have received your child's spring term class newsletter. These are designed to keep you informed about what is being taught in each class and how you can best support your child in their learning this term.

Friday Cake Raffle

Olivia Blandford was the first lucky winner of the weekly cake raffle with ticket number 61. A huge thank you to Nancy and Tommy's mum for baking the first cake—it will be a hard act to follow!

Physics Lesson

Next Friday Classes 3 and 4 are due to be visited by Mr Rhodes, a science teacher from the Cathedral School in Hereford. He will lead the children in a series of interesting and stimulating scientific enquiries within the field of physics.

Parents' Evening

Our formal evening when staff meet with the parents of every child in their class is due to be held on Thursday 11th February.

Mrs Park has sent out a letter this week offering a choice of times. Parents are asked to indicate their preference and return the slips to school promptly. This ensures we can give you the time you request.

As a result of discussions following last term's Curriculum and Assessment information evening, we will be providing details about mathematics calculation methods during this evening.

Open the Book

The Open the Book Team made a welcome return to our Collective Worship last week. This dedicated group of volunteers from the local community act out exciting stories from the Bible on a weekly basis. We are all looking forward to seeing which stories will be told through drama this term.

MADS Pantomime

This year's pantomime by MADS is The Snow Queen. It is due to take place in the Memorial Hall on Thursday 18th and Friday 19th February at 7.30pm and on Saturday 20th February and 6pm. Tickets are available from Much Marcle Stores.

Important Dates

FEBRUARY

3rd Class 3 Swim
5th Simon Rhodes visit Class 4
9th Pancake Day
10th Class 3 Swim

24th Easter Service
(Break up today)

11th April ~ Back to School

News *from the* **Nursery**

The children have been having a fantastic time blasting off into space in their rocket. They made their own control panels, and took it in turns to fly the ship. They were very careful to ensure that there were no aliens on the planets they landed on before they let their friends get out of the spaceship.

The children are very much looking forward to having an alien tea party towards the end of half term, dressing up as an alien and making their own alien head dresses.
