KS2 Space Workshop

Children in Class 3 and 4 were lucky to be visited by a Space Ambassador from the ESERO UK Primary Project. Both classes took part in a Tim Peake inspired workshop where they carried out activities that explored aspects of space travel, including co-ordination and reaction skills required as an astronaut, working as a team and designing a space suit that would cope with the extreme pressure put upon the body in space.

Re-

Remembrance Service

On the evening of Thursday 10th November the school choir performed at the Hereford Cathedral Remembrance service, held in Hereford Cathedral. The children proudly represented the school, singing along side other primary schools and were overwhelmed listening to Hereford Cathedral's Cantable and Chamber choirs. Thank you to all who came.

Remembrance at Much Marcle

On Friday 11th November the whole school took time out from their busy day to reflect and remember those fallen soldiers in a two minute silence. The children discussed the importance of continuing the tradition, the meaning of our school memorial and laid a poppy wreath next to it.

Children in Need

Friday 18th November was a very spotty affair at Much Marcle, where all children made a fantastic effort for a very worthwhile cause. The children paraded their outfits in assembly, carried out themed activities and bought tickets for a spotty themed cake raffle. In total the children raised £106.50 Thank you for your support.

Parent Readers

We already welcome regular parent readers into school and value their time spent reading with the children greatly. If you would like to offer some time please let Mrs Park know when you are available.

News From the Nursery

Remembrance

Nursery children made their own poppy wreath and took it to church to remember the fallen soldiers. The children were very respectful and the special event provoked lots of discussion.
