Our Christian Value of
the Month is:

Honesty

*'And you will know the
truth, and the truth will
set you free.'*

John 8:32

Dear God,

Thank you for all the
loving Fathers in the
world but help the
people who have lost
their Father.

Let them remember
the happy times they
had together.

Amen

**Please accept our apologies for this
late newsletter, our printer and
photocopier have been out of action.**

Weeping Window

The whole school enjoyed a trip to Hereford Cathedral where we explored the beautiful building as well as being overwhelmed by the Weeping Window. The amazing display of poppies was to commemorate Herefordshire's Home Front campaign, marking the ways in which the men and women of Herefordshire contributed to the World War I war efforts all those years ago. Some of Class 4's artwork and poetry had been chosen and was displayed in the Cathedral and Museum over the commemorative period.

Gangsta Granny

Following on from their World Book Day theme Class 3 were thoroughly entertained at Hereford's Courtyard Theatre by the stage production of Gangsta Granny, by David Walliams. The children were amazed by the costumes and stage production and left the theatre with aching tummies from laughing so much. We would like to thank the Sylvia Shaw Trust for covering the cost of our transport.

Hole in the Hedge

We are saddened to see that even though attempts have been made to fix the hole in the hedge on the pavement side of the Bartons it has reappeared. Please can we ask parents to discourage their children from entering the Bartons via this hole and to use the white gate as intended. We are extremely lucky to have the Bartons to play on at lunch times but holes in the boundaries do cause concern. Thank you for your co-operation.

Creative Afternoon

Last half term each child in school had the opportunity to choose a creative activity to take part in on a Monday afternoon. Each staff member led an activity in a small group. Activities included gardening, sewing, silk painting, wood work, mosaics, cross stitch, drawing, decoupage and 3D modelling and clay work. Children were given the opportunities to socialise with children that they may not normally, develop social and team building skills as well as developing the skills in their particular activity. At the end of the session children showed a great sense of achievement and pride and have asked when we will be doing it again!

Meghan Marcle Mystery

Children and parents were shocked to see that our school sign had been

vandalised by an unknown suspect, on Friday 18th May. However it was done in good humour and we all enjoyed changing the school name for the weekend of the Royal Wedding.

Church Services

Sunday 10 th June Much Marcle 1100	Second Sunday after Trinity Celebration of Marriage Service
Sunday 17 th June Much Marcle 0930	Third Sunday after Trinity Holy Communion

Sunday 15 th July Much Marcle	Seventh Sunday after Trinity Holy Communion
Sunday 22 nd July Much Marcle	Eighth Sunday after Trinity Holy Communion
Sunday 29 th July Much Marcle	Ninth Sunday after Trinity Holy Communion (BCP)

London Trip

Children from Class 4 embarked on their long awaited trip to London during the last week of half term. On the first day they visited The National History Museum and The National Gallery. The children were amazed by the dinosaur exhibition and became scientists for the afternoon, exploring artefacts in an investigative workshop.

On the second day the children experienced the sights of the city on a walking tour, travelled up the Thames on a river boat, marvelled at the crown jewels in The Tower of London and were amazed by the production of The School of Rock.

The final day did not disappoint. It began with a tour of Shakespeare's Globe Theatre and an exciting workshop developing the children's use of facial expression, space and body language, which we are sure will be of great use in our Summer production.

Before returning home children experienced London from a height, riding the London Eye.

The children were a true credit to their parents and the school. We were approached by a staff member in the Tower of London who commented on their excellent behaviour. We are sure that the experience will stay with them for many years to come and hope that they enjoyed the trip as much as we did!

Last Day of Term

School will finish for the Summer Holidays on Friday 20th July at 1.30pm. Please arrange to pick your child up from school at this time. Buses will leave school at 1.30pm.

News From the Nursery

Children in nursery enjoy moving and music making as they learn new nursery rhymes.
