Our Christian Value of
 the Month is:

SHARING

Children's Prayers

Dear God,

Thank you for the Summer
 that brings with it;
 sunshine, ice cream,
 family time and the lovely
 scent of the World around
 us.

Amen

Written by Honey and
 Shyla
 Year 3 and 4

Tag Rugby

On Friday 24th May, a team of children from Class 4 took part in the Weston's Schools Tag Rugby Festival. It was a jam-packed day of playing games against other schools, including Ann Cam, Ashperton, Madley and several others. The children came away with two wins and three draws – a great performance for their first Tag Rugby Tournament as a team. As ever, we would like to congratulate the children for their sportsmanship and positivity.

Paces Filming

School welcomed our Sports Coaches for a special morning of filming. Children enjoyed extra PE lessons, with the added excitement of being filmed by the professional photographer. The children will see the film's premier on Monday and we will then let you know where it can be seen.

Malvern St James Olympics

Some of the year 3 and 4 children had an amazing time at Malvern St James' Junior Olympics. We took part in a variety of sporting activities with many other schools from around the country. The activities included javelin, shotput, high jump, long jump and a variety of races including hurdles. It was a great experience to represent different countries, try some new sporting activities and make some new friends.

Techniquet

Class 4 travelled to Techniquet in Cardiff, using the profit from their Make £5 Grow Project. The children explored the museum in small groups and enjoyed seeing all of the weird and wonderful science and technology that was on offer to them. As the Friends of Much Marcle kindly donated the cost of the bus, the children had enough money in their profit to spend £5 each in the shop. We then donated their change to the Techniquet charity – following in the footsteps of lots of the successful entrepreneurs that we learnt about during the project. A great day was had by all.

Science Fayre

On Wednesday 12th June we hosted the South Herefordshire Partnership's Ogden Trust Science Fair. The Ogden Trust works with schools to promote the teaching and learning of Physics. The fair involved demonstrations by children from the five partnership schools – Much Marcle, Walford, The Lea, Gorsley Goffs and St Josephs. There was also demonstrations from Dr Simon Rhodes and colleagues from the physics department of Hereford Cathedral School, ex-Much Marcle students from John Masefield High School, a STEM ambassador and a stall from Westons. Our children made circuits to power some of the fantastic space-themed objects that they made as their half-term homework project; people were very impressed with how they worked.

Special Visitor

Children and staff enjoyed a visit from a very special visitor. Beano the donkey helped Open the Book tell the story of Jesus's arrival in Jerusalem. The children waved palm leaves and joined the procession.

Sports Day

On Friday 21st we held our annual Sports Day. Children competed in a series of races, trying to earn points for their House. The races included: running, skipping, sack, bucket and ball, cross country and relay. Children displayed determination, resilience, team work and sportsmanship. Congratulations to our winning House, Beech. After the event staff, children and families enjoyed a picnic in the sunshine on the Bartons playing field. Thank you to everyone who came and showed their support.

Important Dates

July

- 4th Moving Up Day
- 8th School Play 1.30pm
- 9th Year 6 Science Trip
- School Play 6pm
- 10th School Play 6pm
