Our Christian Value of the Month is:

Children's Prayers Dear Lord,

Thank you for all the things you have done for us today, Please help and protect us from the threat of the coronavirus, Kindly help those who are sick to get well soon,

May you help the scientists, doctors and nurses to have a lot of strength and to find a vaccine, Please give us a healthy life and keep us in your care. Amen

Virtual Learning

On Monday 20th April staff and children embarked on a very different way of learning. All children now attend a daily virtual lesson via an online conferencing platform. The children's enthusiasm and the support shown by parents has been phenomenal and truly heart-warming. During this difficult time both children and staff have taken comfort in seeing their friends and teachers and in forming a daily routine.

Home Learning

Here are just a few examples of the children's work that they have been completing alongside their virtual lessons. Poetry, telling the time, the water cycle, doubling and learning about solids, liquids and gases can be seen below.

Making the most of our extra time!

We have been thrilled with the photos we have received of children enjoying the beautiful weather and learning new skills. Further photos can be found on our website and Facebook page. Please keep sending them in.

Thank you

We have enjoyed seeing the ways in which the children of Much Marcle have been celebrating the efforts and showing their gratitude to all of the key workers.

Well Wishes

Other members of the Much Marcle community would like to share their well wishes with you all:

Mrs Hambling

Mrs Hambling is an invaluable member of our team, come rain or shine she takes joy in looking after the children at lunchtimes and is loved by all. She has been busy in her garden, growing beautiful flowers and vegetables. She misses the children greatly and cannot wait to be back on the Bartons with us all.

Mrs Foreshaw

Mrs Foreshaw serves children

their lunches with the warmest of smiles, she also knows who likes their vegetables and who does not! She wishes all of the children

and staff well and looks forward to seeing you all again soon.

Hellens Music Project

Elisabeth Schneider from the Hellens Music Project sent the school a wonderful video of her playing the violin and sent us her well

wishes. The video can be viewed on our Facebook page.

We look forward to giving you updates from more members of our community in our next newsletter.

The Biggest Thank You

We would like to reiterate our huge thanks to all our Parents and Carers for their continued support. We are all adapting and learning together and we cannot thank you enough for the work you are doing with your children.
