Our Christian Value of the
Month is:

UNDERSTANDING

Jubilee Week

On our return to school everyone took part in a Jubilee Art Week. The children learnt about the Queen's upcoming Platinum Jubilee and designed and made their own commemorative cups, saucers and plates.

The children in Class 1 also designed and made their own crowns. Everyone baked some royal treats including, cupcakes, biscuits and scones. Further photos can be found on our school website.

Swimming

Class 3 have been enjoying their swimming lessons this half term. Over the last few years children have missed out on the opportunity to visit their local pools and we feel swimming is a vital skill that children should be confident in. If your child is not a confident swimmer please be aware of some free courses available through Halo. Details can be found at: <https://www.haloleisure.org.uk/activities/herfordshire/childrens-activities/holiday-activities>

Parents' Evening

Thank you to those who attended our virtual parents' evening. We hope you found the conversation with your child's teacher useful but please always remember that they are available at the end of the school day if you ever have any concerns or questions.

Children's Mental Health Week

During the week children took part in a variety of activities promoting positive mental health. Children participated in yoga lessons, talked about motivation, made support balloons and went on a whole school mindful walk.

Jubilee Tree Delivery

School received a special delivery from the Queen's Green Canopy to mark the Queen's Platinum Jubilee. An Oak tree sapling was delivered. After half term the children will be involved in planning on where the tree will be planted and we will hold a tree planting ceremony to mark the occasion.

Community Jubilee Afternoon

We welcomed parents and the local community into school to view our ceramic art, created during our Jubilee art week at the beginning of term. Comments were made on how individual and beautiful the plates and cups were.

Special Delivery

Class 4 received a very special letter from the Queen's lady in waiting, thanking them for sending her photographs of the children's commemorative cup and saucer designs. The children were very excited to be sent post from Windsor Castle.

PE Kit Reminder

Please be reminded of our school PE uniform, as some children have not had what they require to safely and comfortably take part in PE lessons.

- White t-shirt
- **Black** shorts
- Trainers
- **Black** tracksuit bottoms
- **Black** sweatshirts/school

fleece may be worn for out door games in the winter.

Important Dates

February

28th Return to school

March
