Date: September 2024

Review date: September 2025

Children's safety is our highest priority, both on and off the premises. Every attempt is made, through the implementation of our outings procedure and our exit/entrance procedure and the supervision of children ensures the security of children is maintained at all times. In the unlikely event of a child going missing, our missing child procedure is followed.

Procedures

Child going missing on the premises

- As soon as it is noticed that a child is missing, the child's key person/the relevant member of staff alerts the Reception Teacher
- The register is checked to make sure no other child is missing
- The Reception Teacher will carry out a thorough search of the building and outside areas.
- Doors and gates are checked to see if there has been a breach of security whereby a child could wander out.
- Mrs Davies, Miss Sullivan, school staff and Mrs Park are informed.
- If the child is not found, Mrs Davies calls the police immediately and reports the child as missing. If it is suspected that the child may have been abducted, the police are informed of this.
- The parent(s)/carer are then contacted and informed.
- A recent photo and a note of what the child is wearing is given to the police

Child going missing on an outing

This describes what to do when our staff, have taken the children off site for an outing.

- As soon as it is noticed that a child is missing, the staff members on the outing ask children to stand with their adult and carry out a headcount to ensure that no other child is missing
- One staff member searches the immediate vicinity, but does not search beyond that
- Site / centre management at location of outing informed
- The Teacher in charge of the trip contacts the police and reports that child as missing
- Mrs Davies and Mrs Park are contacted immediately and the incident is recorded.
- Parents/ carers are informed (if they are not on site/visit)
- Our staff take the remaining children back to the setting as soon as possible
- According to the advice of the police, a senior member of staff, should remain at the site where the child went missing and wait for the police to arrive.
- A recent photo and a description of what the child is wearing is given to the police
- SLT contacts the Local Authority and reports the incident.
- Our staff keep calm and do not let the other children become anxious or worried.

- Mrs Davies, Miss Sullivan, together with the trip leader speaks with the parent(s) and explains the process of the investigation.

- What has taken place in the premises or on the outing since the child went missing
- The report is counter-signed by the senior member of staff and the date and time added.
- A conclusion is drawn as to how the breach of security happened.
