					bottom.		
					To begin to proof read their writing.		
					To write a simple sentence.		
Understanding th				,			
Past and	Talk about who is in						
Present	their family and						
(History)	what they do.						
	To sequence						
	different ages of						
	people. Talk about similar						
	and different						
	physical features of						
	my family.						
	Know people have						
	different interests						
	which may change						
	over time.						

People, culture and communities (Geography)	Talk about different body parts. Talk about the type of house I live in – compare types of houses.	Describe how members of the community help us. Talk about what the people who help me in school do.	Use a simple map to show where physical features in my environment are. Draw a simple map of my local area.	Explain that not all places are the same as where I live.	Compare what it is like for food growing locally to another country.	
The Natural World (Science)			Know different life cycles on the farm. What do mammals need to survive. Compare the four seasons of the year.	Compare what animals need to survive. Talk about why different animals adapt to the climate. Talk about the contrast between the polar regions and the farm. Investigate the different changing states of matter. Know where polar animals are from on a globe.	To know the life-cycle of a butterfly. To know the difference between a fruit and a vegetable. To group where foods have come from. To identify food that we can grow in our garden. To begin to talk about food at different times of year. To know the effects of different food on our body	To talk about the key features of a lifecycle of a plant. Name the parts of a plant e.g. stem, root, leaf and petal and discuss what they do. To know what plants need to grow.

Expressive Arts	Self portrait	Design a cape	Sculpting farm	Create an arctic scene junk	To dissect and observe different parts of fruit/vegetables. Making a fruit	Create a flower
and Design	Drawing To use different coloured pencils for a purpose. Can use a pencil with some control. Use drawing tools to make lines, curves etc. To talk about their own and others work.	Can decorate a piece of fabric using different materials	animals To make simple decoration To use a range of tools to sculpt	modelling To try some joining techniques. To find images to help research my design. To design a model.	kebab Food and hygiene To know how to use a knife safely. To know the importance of good handwashing.	Painting To carefully observe the different parts of a flower To use smaller tools including fine paintbrushes to paint details To understand the importance of texture To know the primary colours. To have an understanding of colour mixing. To know why we add white or black.
Nursery Rhymes	If you're happy and you know it Days of the week Polly put the kettle on	Five Little Men in a Flying Saucer Ten in the Bed Five Little Snowmen	One, Two Buckle my shoe Sing a Song of Sixpence This Old Man	Mary had a little lamb Dingle, Dangle Scarecrow The Grand Old Duke of York	London Bridge Down in the Jungle Oranges and Lemons	5 Little Monkeys swinging in the tree Apples and Bananas
