National Curriculum

As writers, we are learning to retell a rules and consequences story by Shaun Tan 'Rules of Summer' we have learnt and create our own versions using a variety of writing techniques

As Readers, we are continuing to use our phonic knowledge and context to help us decode and understand tricky words. We are learning to answer different types of questions on what we have read.

As Mathematicians, we are developing and applying our place value and number fact knowledge to reasoning and problem-solving questions. We will add to our knowledge by learning our times tables.

As Scientists, we will explore different rocks and soils followed by light, reflections and shadows.

As Historians, we will look at how Britain changed from the Stone Age to the Iron Age.

As Geographers, we will learn about parts of the UK.

As Musicians, we will listen to, review and evaluate music and explore the different sounds instruments can make.

As Artists, we will learn how to use linear perspective in our drawings.

As Computer Scientists, we will be learning about the internet and audio production.

As Sports People, we will be swimming and participating in PACES sports.

As Theologians, in RE we will be exploring what kind of world Jesus wanted and what Christians believe it is like to follow God.

As Citizens of the World in PSHE, we will challenge stereotypes, developing positive attitudes and explore staying healthy and safe.
